

Everspin to Announce Fiscal Third Quarter 2016 Results on November 14

CHANDLER, Ariz., – November 3, 2016 – Everspin Technologies, Inc. (Nasdaq: MRAM), the world's leading developer and manufacturer of discrete and embedded Magnetic RAM "MRAM", today announced that the company will report results for its fiscal third quarter which ended September 30, 2016 after the market closes on November 14, 2016 and will host a conference call to discuss its financial results at 5 pm Eastern Time on the same day.

Interested parties can listen to a live webcast of the conference call by visiting the [Investor Relations section of Everspin's](#) website at www.everspin.com. Dial in information for the conference call is available by registering at <http://dpregrister.com/10096338>. The conference call and webcast will include forward-looking information. A replay of the conference call will also be available on the [Investor Relations section of Everspin's](#) website at www.everspin.com following the completion of the call.

About Everspin

Everspin Technologies is the leading provider of MRAM solutions. Everspin's MRAM solutions offer the persistence of non-volatile memory with the speed and endurance of random access memory (RAM), and enable the protection of mission critical data particularly in the event of power interruption or failure. Everspin's MRAM solutions allow its customers in the industrial, automotive and transportation, and enterprise storage markets to design high performance, power efficient and reliable systems without the need for bulky batteries or capacitors. Everspin is the only provider of commercially available MRAM solutions and over the past eight years has shipped over 60 million MRAM units. For more information, visit www.everspin.com.
