

Everspin Announces Appointment of New President and CEO

Chandler, AZ, March 2, 2022 — Everspin Technologies, Inc. (NASDAQ: MRAM), the market leader in MRAM, today announced the appointment of Sanjeev Aggarwal as Everspin’s President and Chief Executive Officer (CEO), effective March 14, 2022. Effective on such date, Darin Billerbeck, Everspin’s Executive Chairman of the Board and Interim CEO will resign as Interim CEO and will continue to serve as Executive Chairman of the Board. Mr. Aggarwal is also being elected as a member of Everspin’s board of directors, effective March 14, 2022.

“I am excited by the appointment of Sanjeev to continue to drive our strategy to expand our product footprint, grow our IP revenue, and generate positive cash from operations. Sanjeev has been with the company since 2008 and held various leadership positions, including most recently as our Chief Technology Officer (CTO). Sanjeev’s primary focus will be on the execution of the company’s annual operating plan, while we partner on longer term strategic initiatives,” stated Mr. Billerbeck.

Mr. Aggarwal brings over 25 years of expertise in the non-volatile memory and semiconductor industry. He has contributed significantly in shaping Everspin since its inception in 2008 in various leadership positions. Mr. Aggarwal currently serves as Everspin’s CTO and Vice President, Operations & Technology R&D managing manufacturing operations and supply chain, driving technology development and business agreements with partners, vendors and suppliers. Prior to that, he was Everspin’s Vice President, Manufacturing and Process Development. Mr. Aggarwal has a Ph.D. in Materials Science and Engineering from Cornell University and has authored over 100 issued patents and over 100 peer reviewed publications.
