

# Everspin PCN Policy

We communicate any change which may affect the fit, form, function, quality or reliability of a product through our product change notices (PCNs) per JEDEC Standard J-STD-046 and J-STD-48. All notifications include summary information, effective date, impacted part numbers and recommended replacement PN's, and contacts for additional information.

In accordance with JEDEC Standard J-STD-046, lack of acknowledgment of the PCN within 30 days is considered acceptance of change.

## Product Change Notification

Customer will be notified by PCN of major changes a minimum of 90 days before the proposed first ship date of the product identified in PCN. Shipment of the changed product may occur prior to the stated ship date only with customer approval.

- a) **major change:** a change that may affect the form, fit, or function of the product or adversely affect the quality or reliability of the product
- b) **minor change:** a change that does not affect the form, fit, function, quality, or reliability of the product notice.
