

Everspin to Present at Needham Growth Conference

Chandler, AZ, January 4, 2018 — Everspin Technologies, Inc., the world's leading developer and manufacturer of discrete and embedded MRAM, today announced Kevin Conley, President and CEO, and Jeff Winzeler, CFO, will present at Needham & Company's 20th Annual Growth Conference to be held January 17-18, 2018 at the Lotte New York Palace Hotel. The presentation is scheduled for Thursday, January 18th from 12:50 – 1:30PM EST. Management will be available to meet with investors on January 18th at the conference.

Portfolio managers and analysts who wish to request a meeting with management should contact their Needham representative or send an email to conferences@needhamco.com.

Copies of any presentation materials will be made available on Everspin.com.

About Everspin Technologies

Headquartered in Chandler, Arizona, Everspin Technologies, Inc. is the worldwide leader in designing, manufacturing, and commercially shipping discrete and embedded Magnetoresistive RAM (MRAM) into markets and applications where data persistence, performance, and endurance are paramount. With over 70 million MRAM products deployed in data center, cloud storage, energy, industrial, automotive, and transportation markets, Everspin has built the strongest and fastest growing foundation of MRAM users in the world.
